DR HARIDUTT SHARMA
CHAIRMAN

Vidhya Bal Bhawan School (VBBS), we hone the academic skills, fine-tune the aesthetic senses and work towards building a holistic culture that values the individuality of each pupil, helping them realize their innate potential. Children are encouraged to explore and revel in the joy of learning. Rote learning is discouraged and Research Based Learning is the norm, where each pupil is guided through an individualized work plan in consonance with his/her potential, thereby providing a complete learning experience. We believe that Education's purpose is to replace an empty mind with an open one. We are of the

conviction that giving roots of values is significant so that our pupils remain firmly rooted to the ground. We give our students wings of ambition, so that they can soar like falcons to touch the skies and endeavour to make them global citizens who can look beyond geographical boundaries and promote a culture of peace and universal brotherhood. May we continue to give our students strong roots like the Banyan Tree and stronger wings to conquer the world!!
